

About VMTC Breakfree

- Breakfree is a part of Victorious Ministry Through Christ, or VMTC, an international and non denominational ministry, that equips the body of Christ to carry out the healing and deliverance ministry of Jesus.
- It is a two fold ministry, balancing between ministering to Christians who need wholeness and healing, and training prayer ministers in the prayer process.
- Breakfree has been operating in New Zealand since 1991. There are three regions: Northern, Central, and the South Island.

About this ministry weekend

- Breakfree ministry sessions are safe, confidential and non judgmental. All prayer ministers undergo their own ministry sessions and training regularly.
- Ministry sessions encourage the recipient to confess sin, to forgive others, and themselves. Sometimes generational bondages need to be dealt with also.
- Ministry sessions release recipients to be freed to live and serve the Lord.

Over the days of the school you will:

- Receive your own prayer ministry session.
- A prayer ministry session can last several hours, as much is brought into the light, in a safe and confidential setting.
- Experience teaching that will support your ministry session.
- Enjoy a prayer vigil; as you pray for others receiving ministry, worship, and a blessing service

Prayer Ministry Sessions Available at Schools

We are always looking out for those who may like to have a free prayer ministry session, as a visitor at a school. Registration is not required for this. This helps us also in our training process. Please contact a local coordinator below, if you are interested.

Feed-Back:

As I drove home from my first school, I said to my wife," I have come home. These people really know what they are doing, and particularly the need for protection when doing ministry."

At my second school, I experienced a major release when generational stuff was prayed for." 25 years later, I'm still here.

Grant, a Break Free school director.

Your Prayer Ministry Session

At the school, all attendees will receive a prayer ministry session, which is a Holy Spirit healing and deliverance ministry to your whole person. It is led by trained male and female prayer ministers, with others usually also present in a training role. It is a totally confidential, non-judgmental, and safe session.

There are no written records of the content of any sessions.

VMTC seeks to minister to the whole person – spirit, mind and body – by using the authority of God's word, and by being open to the power of God's Spirit. A key element to the success of the prayer pattern is that it is tailored to the uniqueness of each individual.

All sessions are totally confidential. The ministry teams are made up of male and female prayer ministers (all of whom regularly undergo their own prayer ministry sessions), with an optional intercessor/observer, a person in training who is the same gender as the recipient.
